Windows

CUSTOM MADE WINDOW SCREENS

Standard Features:

*Made to your specific size (measured corner to corner, width by height). *5/16" Thickness- Compatible with most exterior windows. *Sturdy 1/4" Wide Aluminum Frame with 1/4" Plastic Corners and Steel Spring Clips. *Frame Colors available in White, Mill (finished aluminum), or Bronze (dark brown). Black Fiberglass Screen Cloth, with upgrades to Solar Screen cloth available.

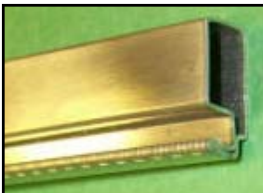

All custom-made screens are special order and there are no returns.

Replacement Screen Prices are priced by United Inches (width added to height, each rounded up to the nearest inch). Example: The actual screen measures 29.5" wide x 26.5" tall, corner to corner. 30" (rounded up from 29.5") + 27" (rounded up from 26.5") = 57 United Inches.

Please allow 1-2 weeks for shipping!
