## DOUBLE-WIDE ROLLERS PRIME MOVERS

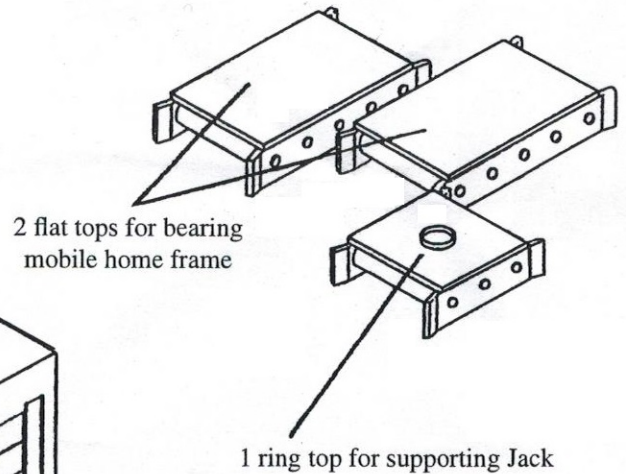

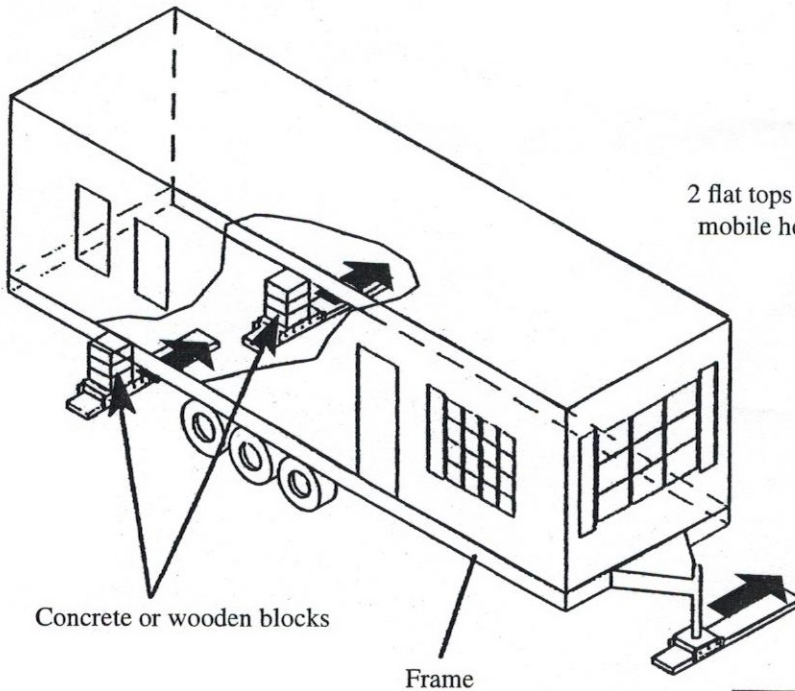

With 3 DOUBLE-WIDE ROLLERS  
you can move a double wide mobile home  
and put it where you want it.

*Built to carry the toughest load.*

- Rugged - each one bears 48,000 pounds.
- Five rollers with scaled ball bearings
- All rollers are seamless tubing

2" x 5/16" seamless tubing machined  
and bearings press fitted. No need to  
grease or oil...EVER!

These line drawings are for "suggested" positioning of Rollers. Spacing for operation is the option of the operator of the equipment.

### WARNING

EXTREME CAUTION SHOULD BE USED WITH  
THESE ROLLERS. UNSAFE USE OF THESE  
ROLLERS COULD RESULT IN INJURY OR  
DEATH. THINK SAFETY FIRST.

**ALWAYS USE SAFETY BLOCKING**
