Eagle Vented Panel | Eagle Solid Panel

Engineered Trim System

Style Crest® Trim Components provide clean appearance, easy installation and reliable performance while hiding fasteners. The two-piece top trim construction is designed with a spring lock to quickly accept and securely hold Premium Plus or Eagle Skirting panels. The bottom channel features two rows of perforations for ground spike placement options. Style Crest® offers wind stay rods in 12" and 24" lengths. An optional V-Guard Protector is available.

Five Popular Skirting Colors Complement Siding

Tan

Clay*

Sand

Gray

White

*Eagle Skirting offers Trim Kits in all colors except Clay Trim Kits which are available in Premium Plus
